

## Doctors Stand Amazed at Power of Bon-Opto to Make Weak Eyes Strong—According to Dr. Lewis Guaranteed to Strengthen Eyesight 50 Per Cent. In One Week's Time in Many Instances

A Free Prescription You Can Have  
Filled and Use at Home.

Philadelphia, Pa.—Victims of eye strain and other eye diseases and those who wear glasses, will be glad to know that according to Dr. Lewis there is real hope and help for them. Many whose eyes were failing say they have had their eyes restored by this remarkable prescription and many who once wore glasses say they have thrown them away. One man says, after using it, "I was almost blind. Could not see to read at all. Now I can read everything without my glasses and my eyes do not hurt any more. At night they would pain dreadfully. Now they feel fine all the time. It was like a miracle to me." A lady who used it says, "The atmosphere seemed hazy with or without glasses, but after using this prescription for 15 days everything seems clear. I can read even fine print without glasses." Another who used it says, "I was bothered with eye strain caused by overworked tired eyes. I have worn glasses for several years both for distance and work and without them I could not read. Now I can do both and have no eye strain. My long distance vision is clear. I can count the trees across the street now, which for several years have looked like a dim green blur to me. I cannot express my joy at what it has done for me."

It is believed that thousands who wear glasses can now discard them in

a reasonable time and multitudes more will be able to strengthen their eyes as so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by the use of this prescription. Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a glass of water and drink it. It dissolves. With this liquid bath the eyes two or four times daily. You should notice your eyes clear up quickly. Discontinue from the start and inflammation and redness will quickly disappear. Your eyes bother you even a little it is your duty to take steps to save them now before it is too late. Many hopelessly blind might have saved their sight if they had cared for their eyes in time.

NOTE—Another patient writes: "I am the best proof of the power of Bon-Opto. I was bothered with eye strain caused by overworked tired eyes. I have worn glasses for several years both for distance and work and without them I could not read. Now I can do both and have no eye strain. My long distance vision is clear. I can count the trees across the street now, which for several years have looked like a dim green blur to me. I cannot express my joy at what it has done for me."

Thomas, working under the general direction of Dr. J. H. Kent, church campaign director, are busy this week securing the pledges that will go to make up the appointment of the first Baptist church of this city, \$25,000, of the hundred million dollars to finance the world movement of Northern Baptists. The campaign, which started here last Sunday, will be closed on Sunday next. Every conference was stressed here that the Putnam church will pledge the full amount assigned to it to raise.

Saturday next, May 1, will mark the opening of the playing season on the links of the Putnam Country club. An effort is being made to get a large list of entries for the day's events. The second tournament of the season is scheduled for May 21, which will be observed as Memorial day in Putnam.

The condition is that the teeth of many pupils in the Israel Putnam school has been shown to be in a most effective state of evidence to support the wisdom of the school authorities in introducing dental hygiene to Putnam's schools. The need that is to be accomplished already is apparent.

Like every other commodity the price of railroad ties is sky high this spring, and the railroads will have to pay a pretty penny to meet the demand. The cost of the 1925 season, which is about to open. Large numbers of ties are assembled along the railroad right of way in this part of the state.

Putnam is very prosperous, notwithstanding all of the high costs of living. Automobile dealers will tell you that they cannot get new cars in near sufficient numbers to fill their orders. Machines are hurried over the roads from the factories to this city as rapidly as they can be obtained.

One hundred and fifty workers of the French River Textile Co., Middlebury, went out on strike at 4 o'clock on Tuesday afternoon. This labor trouble will probably be the first of the season in one of the finest worsted manufacturing concerns in New England. Some of the strikers stated that they want a 48-hour week, but the company schedule of pay is representative of the company and on Tuesday evening the workers had taken out within an hour after they

had been paid off and that they left without making any demand upon the company. The workers have been earning more money each week than has ever been paid until this year to workers in the part of New England.

Miss Eleanor Murphy of Danvers took part in a concert given by Chittenden Council, K. of C., at Hyde Park, Mass., Friday evening, April 16. She was the pianist on the program and her playing won many compliments. Miss Murphy is a daughter of Dr. and Mrs. E. P. Murphy, and is a member of the Varsity graduating class of Putnam High school.

## WESTERLY

When the superior court in session at Westerly adjourned Monday afternoon, the Westerners of the town of Westerly, against Ralph S. Sherman was on trial. After the complaining witness had completed his testimony, Judge Brown suggested to Attorney Laidlaw and Casey, counsel for plaintiff and defendant respectively, that they get together and come to a settlement. At the opening of court, Tuesday, Judge Brown excused the jury stating that no more testimony would be heard, and the case was passed on the docket for adjournment. The settlement was reached by the defendant paying to the plaintiff a \$1000.00, the sum of \$1000.00 and costs.

The case of John Adno and Raymond Howard, who were in the automobile repair business under the firm name of Adno and Howard, in Cogswell street, Westerly, until the building in which they did business was destroyed by fire, against Angelo Truro, was called for trial. The jury selected is composed of: James S. Brown (foreman); William H. Geer, Clarence Tarbox of North Kingstown; Frederick A. Hall of South Kingstown; John A. Grandall of Westerly; George M. Fish of Hopkinton; Winfield E. Holland, George N. Tucker of Narragansett.

This is a case where the plaintiff seeks to recover a balance alleged to be due for repairs to an automobile. The defendant claims that the car was a thorough overhauling, and the plaintiff claims that the car was not overhauled. The car was started with difficulty and was brought back to the repair shop three weeks later, and the carburetor was installed at an expense of \$34.00. The plaintiff claims that the car was not overhauled and that the defendant was not entitled to the balance. The jury returned a verdict for the plaintiff and adjourned to Wednesday morning.

During the court session John J. Dunn, attorney for the Old Colony Trust company, of Boston, brought up, before Judge Brown, the motion of the trust company, for leave to intervene in the case of Frank Hill of Ashaway and others, against the Shore Line Electric railway company. The intervening party represented the trust company was trustee for bondholders amounting to \$2,375,000, and that the electric railway company had failed to pay the interest on the bonds.

Judge Brown granted the petition for leave to intervene and the trust company is understood to be proceeding to foreclose the mortgage on the property in Rhode Island belonging to the Shore Line Electric railway company.

Matty McGrath continues at work, although there is a general strike of laborers in the town and work in which the strike is engaged is at a standstill. No Matty is not a scab. He has been engaged as a street sweeper for years, so long that he has reached the age of 70. He is a very old man, but by reason of his age he is his own free agent and is permitted to accept working conditions that are agreeable to him without undue interference. He is on his job in all kinds of weather and is held up as a model of industry and faithful service. If there is one workman more than another, that is entitled to a high wage in the town of Westerly and is held up as a model of industry and faithful service. If there is one workman more than another, that is entitled to a high wage in the town of Westerly and is held up as a model of industry and faithful service.

The laborers have been on strike for two weeks and no genuine move has been made to effect a settlement. The demand is for 75 cents an hour for an eight hour day, half holiday Saturday, double time for Sundays and holidays and time and one-half for overtime. The present rate is 50 cents and the employers have offered an increase to 60 cents an hour. There is no change in the vacation situation of the store cutters, who have been idle four weeks, on a demand for \$1 an hour. The employers offer \$1.50 for an eight hour day to September 1, and would then comply with the demand for \$1 per hour.

Electrician Thomas A. Shea was severely burned while at work at the plant of the C. B. Cottrell & Sons company. Mr. Shea while at work stood on a box and tapped the wire in his usual way, doing wiring. By some misarrangement at the switchboard, a high voltage was sent through the wire Mr. Shea was handling, but did not enter his body by reason of the precaution taken. Instead there was a flare at the end of the wire and Mr. Shea's right arm was severely burned. He was taken to his home in an automobile and was attended by Dr.

Seaton. His recovery from the injury will be slow but complete.

In an automobile accident on the Westerly-Stonington road, the four occupants of the car were returning home from a dance in Stonington. The car was owned and operated by William Donovan and two young women. By reason of the breaking of the winch on the machine, the car became unmanageable and crashed into a wall by the roadside. Mr. Donovan and one of the women were out in the face. The injured were brought in another automobile to Westerly, where they were attended by Dr. Jennings.

Local Luncheon.  
Mrs. Natalie Connell, 45, a resident of Westerly twenty-two years, died from pneumonia, Monday afternoon, at her home in Granite street. She survived by her husband two sons and a daughter. Mrs. Connell was born in Italy. Jasper P. Whitman, 32, a Civil War veteran, died Monday in East Greenwich. He leaves two sons.

There will be a total eclipse of the moon next Sunday night that will be visible in Westerly and will continue for six hours. The eclipse will begin at 6:48 in the evening and continue until 12:52, daylight saving time.

John P. Murphy, formerly of Westerly, president of the American Federation of Labor, was the principal speaker at a meeting of the Molders' union in Providence on Monday night.

The Westerly Cycle club minstrel show, Tuesday evening, before an audience that filled the hall in the town. The trip was made in automobiles.

Westerly traffic signals are to be placed on the highway near the town. The signals are to be placed on the highway near the town. The signals are to be placed on the highway near the town.

Mrs. Walter S. Price, representing the College club, has arranged for a meeting, Friday morning, of women who expect to vote in the presidential election. Mrs. Edward S. Moulton, of Providence will be the speaker.

The directors of the Pawcatuck Woodmen have complied with the demand of employees for a work week of forty-eight hours.

A forest fire near the King Tom farm on the East road, burned over quite an area, but was checked before it reached buildings.

William V. Currier and Miss Florence Wainwright both of Westerly, were married Monday in New York.

The tug Westerly is in the New London harbor ferry service, temporarily.

Charles B. Eccleson and Francis G. Haswell have returned from a foreign trip.

New York—If you are feeling run-down, weak, nervous, tired in the morning, and generally ailing, these are the symptoms that should warn you to take care of your health. Four persons in every ten are needing more phosphorus in their bodies. When you see thin and feeble people or those who are anemic, pale, frail, oft dependent or lacking in energy, you may look for the need of certain elements that make for a strong constitution.

Some people, after relying upon preparations composed chiefly of salts, quinine, drastic drugs, from calomel, cod liver oil, etc., wonder why they have no benefit. That is easily explained by the fact that such persons need the phosphoric element, which is a most potent essential to health and contains in it, BITRO-PHOSPHATE, the famous health preparation. Now obtainable everywhere.
